Committee's Report

The committee members present their report, together with the financial statements, on St Kilda Gatehouse Inc for the financial year ended 30 June 2023.

Committee Members

The names of committee members throughout the year and at the date of this report are:

- Dianne Azoor Hughes (Chairperson)
- John Sutherland (Secretary)
- Andrew North (Treasurer)
- Desiree Smit (retired 21 November 2022)
- Alan Marr (retired 21 November 2022)
- Catherine Hingley (retired 6 February 2023)
- Simon de Bell (appointed 21 November 2022)
- Rosie Camilleri (appointed 8 February 2023)
- Beth Pocklington (appointed 19 June 2023)

Principal Activities

St Kilda Gatehouse is a not for profit incorporated association which works alongside those involved in street based sex work or affected by commercial sexual exploitation as a result of hardship. St Kilda Gatehouse works to restore a sense of dignity and hope through providing immediate support and building trust and relationship by:

- providing a place of belonging;
- creating connections and the opportunity to participate in community life;
- helping individuals navigate pathways off the streets; and
- holistically building on individual strengths and capacity.

Significant Changes in the State of Affairs

There have been no significant changes in the state of affairs of the association during the financial year ended 30 June 2023.

Matters Subsequent to the End of Financial Year

No matter or circumstance has arisen since 30 June 2023 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

Operating Result

The entity reported a surplus of \$93,069 (2021: \$139,191) for the year.

Auditor's Independence Declaration

The auditor's independence declaration for the year ended 30 June 2023 has been received and can be found on page 5 of the financial report.

This report is signed in accordance with a resolution of the members of the committee.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

a. Reporting entity

The financial statements cover St Kilda Gatehouse Incorporated as an individual entity. The financial statements are presented in Australian dollars, which is the entity's functional and presentation currency.

St Kilda Gatehouse Incorporated is a not-for-profit incorporated association, incorporated and domiciled in Australia. Its registered office and principal place of business is:

169 Chapel Street

St Kilda VIC 3182

A description of the nature of the incorporated association's operations and its principal activities are included in the Committee's report, which is not part of the financial statements.

The financial statements were authorised for issue on 21 November 2023.

b. Basis of preparation

(i) Special purpose financial report

In the committee's opinion, the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the requirements of the *Associations Incorporation Report Act 2012 (Vic)* and the *Australian Charities and Not-for-profits Commission Act 2012*. The committee has determined that the accounting policies adopted are appropriate to meet the needs of the members of St Kilda Gatehouse Incorporated.

The financial report has been prepared in accordance with all recognition and measurement principles of Australian Accounting Standards and other mandatory professional requirements in Australia. It contains only those disclosures that are considered necessary by the committee to meet the needs of the members of the association. The association is a not-for-profit entity for the purposes of preparing the financial statements.

(ii) Historical cost convention

These financial statements have been prepared under the historical cost convention unless otherwise stated in the notes.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (cont'd)

c. Revenue

Grants

Grant revenue is recognised in profit or loss when the incorporated association satisfies the performance obligations stated within the funding agreements.

If conditions are attached to the grant which must be satisfied before the incorporated association is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

Donations and bequests

Donations and bequests are recognised at the time the pledge is made, except for donations of preloved goods for sale through the Greeves St Op Shop which are recognised as revenue when sold.

Interest

Interest revenue is recognised when received.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Volunteer services

The incorporated association has elected not to recognise volunteer services as either revenue or other form of contribution received. As such, any related consumption or capitalisation of such resources received is also not recognised.

All revenue is stated net of the amount of goods and services tax.

d. Property, Plant and Equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount of those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

In the event that the carrying amount of plant and equipment is greater than the recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Plant and equipment that have been contributed at no cost, or for nominal cost, are recognized at the fair value of the asset at the date it is acquired.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (cont'd)

d. Plant and equipment (cont'd)

Right of use assets

The incorporated association recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost which comprises the initial amount of the lease liability adjusted for:

- Any lease payments made at or before the commencement date less any lease incentive received; plus
- Any initial direct costs incurred; and

An estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located.

Depreciation

The depreciable amount of all fixed assets, including right of use assets, is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are and have remain unchanged from the prior period:

Plant and Equipment	20 – 33%
Motor Vehicles	20%
Leasehold Improvements	20 – 33%
Right of Use Assets	33% – 50%

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the incorporated association. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss

e. Intangibles

Software is recorded at cost. It has a finite life and is carried at cost less accumulated amortization and any impairment losses. Software has an estimated useful life of between one and three years. It is assessed annually for impairment.

f. Financial Instruments

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions to the instrument. The entity's financial instruments comprise accounts receivable (note 1j) and accounts payable (note 1k) only.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (cont'd)

g. Lease liabilities

The lease liability is initially measured at the present value of the lease payments unpaid at the commencement date, discounted using the interest rate implicit in the lease if that rate is readily determinable or the incorporated association's incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed payments (including in-substance fixed payments) less any lease incentive receivable;
- variable payments based on an index or rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable under a residual value guarantee; and
- payments arising from purchase and termination options reasonably certain to be exercised.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

h. Employee benefits

Provisions for employee benefits are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date.

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefits

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (cont'd)

h. Employee benefits (cont'd)

Regardless of the expected timing of settlement, provisions made in respect of employee benefits are classified as a current liability unless there is an unconditional right to defer the settlement of the liability for at least 12 months after the reporting date, in which case it would be classified as a non-current liability.

Defined contribution superannuation expense

Contributions are made by the association to an employee superannuation fund and are charged as expenses when incurred.

i. Cash and cash equivalent

Cash and cash equivalents includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

j. Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from donors and any outstanding grant receipts. Receivables are recognised at amortised cost, less any allowance for expected credit losses. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

k. Accounts Payable and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period which remain unpaid. The balance is recognized as a current liability with the amount being normally paid within 30 days of recognition of the liability.

l. Contract liabilities

Contract liabilities represent the incorporated association's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the incorporated association recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the incorporated association has transferred the goods or services to the customer.

m. Goods and Services Tax (GST)

Revenues, expenses and assets are recognized net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (cont'd)

n. Income Tax

As the incorporated association is a charitable organisation in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

o. Financial Stability Reserve

The purpose of the Financial Stability Reserve Policy is to ensure the delivery of the mission and the stability of programs, employment, and ongoing operations of the organisation. The Financial Stability Reserve is intended to provide an internal source of funds for situations such as unexpected revenue loss, a sudden increase in expenses, one-time unbudgeted expenses, unanticipated loss in funding, or uninsured losses. The Reserve may also be used for one-time, nonrecurring expenses that will build long-term capacity, such as staff development, research and development, or investment in infrastructure.

p. Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

When an entity applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period must be disclosed.

q. Critical Accounting Estimates and Judgments

The committee evaluates estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

r. New or amended Accounting Standards and Interpretations adopted

The incorporated association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 June 2023

Note 2. Revenue and expenses

Revenue and expenses for the financial year are presented in the classifications used for funding acquittals and internal reporting.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 June 2023

Note 13. Contingent Liabilities

The incorporated association had no contingent liabilities as at 30 June 2023 and 30 June 2022.

Note 14. Commitments

The incorporated association had no commitments for expenditure as at 30 June 2023 and 30 June 2022.

Note 15. Subsequent events

No matter or circumstance has arisen since 30 June 2023 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

COMMITTEE MEMBERS' DECLARATION

For the financial year ended 30 June 2023

In the opinion of the members of the committee of St Kilda Gatehouse Inc:

- (a) St Kilda Gatehouse Inc is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purpose of complying with the *Associations Incorporation Reform Act 2012* (Vic) and the *Australian Charities and Not-for-profits Commission Act 2012* (Cth);
- (b) the financial statements and notes set out on pages 6 to 20, are in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:
 - (i) giving a true and fair view of St Kilda Gatehouse Inc's financial position as at 30 June 2023 and of its performance for the financial year ended on that date;
 - (ii) complying with Australian Accounting Standards and other mandatory professional reporting requirements; and
- (c) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the members of the committee:
